MESSAGE

I am extremely happy to know that Vivekananda Human Centre, London , is organizing '**Festival of Unity in Diversity**' on the occasion of the birthday celebration of Sri Ramakrishna 2009, at the Epping Forest South Scout Group Hall, London , on 8 March. The theme of this festival is very appropriate and significant: '**Unity in diversity, Harmony and Peace**'.

Sri Ramakrishna's life is a study of 'Unity in diversity, harmony and peace'. His spiritual insights in the wake of his tremendous *Sadhana* (spiritual struggles) revealed to him that all religions are but ways to a common goal – God. He proclaimed to the world this universality thus – As many faiths, so many paths.

I pray for the grand success of the Sri Ramakrishna festival in London.
